PRODUCTION AND CONSIGNMENT AUCTION

OCTOBER 29, 2011 • 11 AM

WELCOME

Well, here it is, our 4th HyLee Production and Consignment Auction. Doc and I have been proud of the quality of horses consigned over the past sales. We have had such a nice selection of horses, and the buyers have been successful with their purchases. We believe that our auctions have brought new Morgan owners into the industry and rekindled previous Morgan owners into owning a Morgan again. We have also sold horses into the show world who have won the new owners a lot of blue ribbons. This year we have a wonderful selection of horses. A good balance of horses for trail, young and well started prospects, carriage, show and incredible opportunities on some high quality broodmares. The broodmares consigned offer some of the best lines in the country, established producing mares and young mares of breeding you cannot get anymore. The prospects in the auction are from breeders who have taken their time to give their stock a solid foundation so that the new owners can go forward with them. Again, we wish all the sellers and buyers good luck and enjoy inspecting the horses we have in the auction.

WINDCHIME
#0138763

Foaled: 1996 ★ **Sex:** Mare ★ **Color:** Chestnut

Consignor: Jackie Sweeney

Chime is a very talented mare and is a standout in the ring. Over the last two years she has won numerous times in the classic English pleasure division shown by a junior exhibitor. She takes very little to shoe and we keep her barefoot behind so her hocks are good. She also drives. She has a lot of go forward and is recommended for an above average to advanced rider. We have used her in our lesson program and she has taught our students a lot. The only reason she is being offered is that her rider has gone to college and we have a group of students who have not reached her level of riding. She is too nice a mare to wait for our students to reach her level.

Foaled: 2008 ★ **Sex:** Mare ★ **Color:** Bay

Consignor: Ron and Kirsten Johnson

Fonteyn is a bay, 3-year-old mare by John and Angela Bulmer of Monnington Farm in the United Kingdom. Her pedigree reads well with Philharmonic, Festival Pride N Joy, Belle Flaire and Tug Hill Whamuniton on her registration. She has been in training under saddle at Arcola Farm and does all three gates well. She has proven to be a very honest, kind and steady horse to work. She has plenty of motion and go-forward which will be helpful as she moves ahead with her training as a pleasure horse. In addition, Fonteyn would be an excellent candidate for a broodmare as she is well-bred, easy to handle and a good-minded mare.

This summer “Suds” has embarked on a new career in hunt seat and is loving it! He’s gentle enough for a child, smooth enough for equitation and pretty enough for a lady or amateur. A 3-year-old chestnut whose barn name is Starbuck. Roger at Wind Blu enjoys breeding and raising babies. He then has the enjoyment of breaking them to drive. Since I have given up riding, we offer a well-broke carriage driving or beautiful classic pleasure driving gelding.

This 3-year-old 14:3 gelding has been a colt that wants to please. I started him to drive as a 2-year-old, then over the winter, he ran in and out and grew into a beautiful young horse. Back to work this summer where I drove him over the farm and at a few shows. He will please you because he is now ready for you to drive and if you'd like to break him to saddle, he is ready and willing. His temperament is great and would make a super nice western pleasure show horse or just keep him driving as he sure loves to do so.

Equinox Attaché is powerfully built, well-conformed stallion with a chiseled head and a large, kind eye. He has long, straight legs; a short back and a well laid back shoulder. His high going park action off both bends has earned him wins in park harness and park saddle. As his pedigree does not include any Noble Flaire or Serenity Masterpiece, he is an excellent outcross for these bloodlines. Foals that Attaché has sired for us have inherited his size, intelligence and good work ethic. They have been easy to train and have sold as junior horses. With this talent and drive, Attaché deserves to compete on a national stage, something we have been unable to do for him. Be the one to take him to the top.

★ ARCOLA'S TRUMPET CALL ★
#171279

Foaled: 2006 ★ **Sex:** Gelding ★ **Color:** Chestnut

Consignor: Ron and Kirsten Johnson

This beautiful 5-year-old gelding is by DBA Street Talk and out of the mare, H.R. Clearly Legal. Trevor, as we call him, has shown successfully in the in-hand division as a young horse, and has had several blues this year, which is his first year under saddle in the hunter pleasure division. This gelding is a fun horse to watch as he has plenty of motion in the front and the rear as he trots down the rail. Trevor has that natural animation and stamina that makes him well suited to the hunter pleasure division.

Consignor: Sally Longenecker

It is difficult to know where to begin as I attempt to describe this fabulous mare. She is bay and she is 6 years old. She is one of the youngest Noble Flaire daughters. She is a full sister to HVK Steuben who was reserve world champion mare, and HVK Crystal Bay who was world champion mare. Cristal herself, although shown lightly, was undefeated in park harness. She is enormously talented off both ends. She exudes personality and excitement. There is no stop or enough in her. She is a joy to be around. And, as if this is not enough, she is in foal to the hottest, most sought-after source of park horses today—ZZ Top! You can cheer her, you can covet her or...you can own her. Saralin proudly offers this extraordinary opportunity. It is yours for the taking!

Dance Tune was shown as a park harness horse and was reserve in the UPHA Park Harness Championship.
