## PRODUCTION AND CONSIGNMENT AUCTION

OCTOBER 27, 2012 ★ 11 AM

# WELCOME

Doc and I welcome you all to our 5th Production and Consignment Auction. This year we have a great balance of types of horses consigned. We have a selection of some very nice show horses ready to go, top show prospects, some broodmares who not only produce but also ride, some proven trail

horses and quiet family horses, a reining horse, some color in our auction, and only two horses under the age of 3. The change in young horses available is attributed to the slowdown of breeding and also some young horses being held back to market their 3-4 year olds. People have more time to work their young stock without having the numbers.

We have been selected to disperse the broodmares owned by Aerie Meadow Farm as part of his total dispersal. There are some very nice proven broodmares in this consignment lot. The balance of the broodmares is of a very high quality and in foal to top stallion, Cingate Revelation, The Ignitor, and HyLee Galaxy's Wild Irish.

As has been in the past four auctions, most of the horses sold have gone into productive homes and been successful. We feel proud that the quality of horses coming to this auction is high and very flattered that our auction has been selected to market them. It is our greatest hope that the consignors will be happy with their stock's new owners, and that the purchasers will be anxious to get their new buy home and work with them. Every horse has a purpose.

Take advantage of our Friday preview at 5 p.m. to see the horses, talk with the consignors, and try the horses you are interested in.

Also, DVAAuction will be running our preview on Friday as well as our Auction at 11 a.m. on Saturday. Live bidding is available with this service, so register now.

Kayla is fully trained in both hunter and western disciplines. She has a beautiful, powerful trot and it is really fun to watch her in motion. She stands about 16h and is always very up-headed. She has produced one filly and one colt. Both foals are an improvement on the mare so it should be easy to match Kayla up with good stallions because she really out-produces herself with foals that are up-headed, correct conformation, and easy to handle. He is ready for you to finish him your way becoming a star in the show ring, working towards becoming your next driving horse, or striding down the trail. Remmy enjoys working but has had limited work since coming home. This has not affected his attitude or desire; he does not miss a beat. Currently working hunt. Rides in a smooth snaffle, stands great for the farrier and vet. Easy to clip, load, trailer, groom, and cross-tie. Remmy is current on all his shots, coggins, feet, and teeth.

“Magnum” has had a year of reining training and is an excellent prospect to continue on that venue or start in western dressage. He was a crowd pleaser this year at the Midwest Horse Fair demonstrating reining maneuvers and attracted a lot of attention with his rich color. He has produced some exceptional foals and is used live cover and trained for AI collection. He is a hard to find genetic makeup (EE AA Cr/Dd) that makes him a plus; he is homozygous black, homozygous agouti with one cream and one dun gene. He cannot produce a chestnut even when bred to a chestnut mare. This young stallion can continue breeding and showing.

Then there is her pedigree ... she is a full sister to the multi-World Champion, JW Special Flaire, sired by HVK Bell Flaire and out of Judy Whitney's "blue hen" mare, Noble Airess, a full sister to Noble Flaire. With the combination of talent and pedigree you can't go wrong with this mare. A mare of these qualities is hard to find and is hard for HyLee to have leave the farm. Troika's Oksana is named after the 1994 women's figure skating Olympic gold medalist Oksana Baiul from the Ukraine. Effie, Bill and Linda loved the name and picked it for their next filly, born in May of 1995. Our lustrous, dappled black mare lives up to her namesake with her beauty and a light, athletic way of moving. Okie is sired by Duke of Wynne, a direct son of Waseeka's In Command, and she is a maternal sister to World Champion Troika's Black Russian. She has produced two black foals; the handsome Troika's Midnightmoscow is listed in this sale. Okie has personality plus. She is always the first to come up in the pasture to greet us and knows everything that is going on around the farm. She loves to park out and get peppermint treats. She clips easily, stands well for the farrier, loads easily and is always pleasant to be around, often nuzzling on the back of our necks. This energetic and loving mare is a happy trail horse under hunter or western tack, has been shown walk-trot hunter pleasure, and could do w/t/c with a seasoned rider. She likes a mullen mouth bit with short shanks. Flies, gnats, and mosquitoes love to dine on her neck and head, so a mask and regular fly repellent application in the summer are advised. A beautiful, cadenced mover, she has a lovely head with tight, sharp ears. She has a fine neck, well-balanced body, and strongly muscled hindquarters. Standing 14.3 hands, Okie has sound, correct legs and hooves. This is a great opportunity to own a family bred and loved Morgan mare to take home for your trail horse and lifelong companion.

# GUIDE FOR ABSENTEE BIDDERS

## **ABSENTEE BIDS:**

If you are unable to attend the auction in person, and wish to place bids, you may give Addis Equine Auctions your instructions to bid on your behalf. Our representatives will then try to purchase the lot or lots of your choice for the lowest price possible, and never for more than the top amount indicated by you. This service is free and confidential. **PLEASE NOTE:** Addis Equine Auctions offers this service as a convenience to clients who are unable to attend the auction and, although we will make every effort, Addis Equine Auctions will not be responsible for error or failure to execute bids.

## **PLACING ABSENTEE BIDS:**

To place bids, please use the absentee bid form provided in this catalog. Be sure to accurately record the names and descriptions and the top price you are willing to pay for each lot. “Buy” or unlimited bids will not be accepted. Always indicate a “top limit”—the amount to which you would bid if you were attending the auction yourself.

Alternative bids should be indicated by using the word “OR” between names. Then if your bid on an early lot is successful, we will not continue to bid on other lots for you. Or, if your early bids are unsuccessful, we will continue to execute bids for alternative lots until a bid is successful. Bids must always be placed in the same order as the lot numbers appear in the catalog.

Please place your bids as early as possible. In the event of identical bids, the earliest received will take precedence.

## **TELEPHONE BIDS:**

Telephone bids will be accepted only through an agent of your choosing. Please contact Bill or Terry Addis at 405-330-5464. An Agent’s Authorization Form must be on file for you in the sale office prior to your agent bidding on your behalf. (A SIGNED CHECK MADE OUT TO HYLEE FARM OR COMPLETE CREDIT CARD INFORMATION MUST BE IN THE HANDS OF THE SALE MANAGEMENT PRIOR TO THE SALE.)

## **SUCCESSFUL BIDS:**

Successful bidders will be notified. Please refer to the “Terms and Conditions of Sale” for payment and delivery requirements applicable to all successful bidders.

## **BUYER’S PAYMENTS:**

All absentee bids and telephone bids will require a signed check made payable to HyLee Farm or complete credit card information in our office prior to the sale.
