Established 1948

PRODUCTION AUCTION
OCTOBER 31, 2009 ★ 11 AM

WELCOME

Welcome to the Second HyLee Farm Production Auction. This year we felt the upper Midwest would benefit by the auction taking some outside consignments. We feel that we have a very good selection of Morgan horses in the catalog. We have a diverse collection of horses, which includes: broodmares, prospects ranging from yearlings to three-year-olds, futurity stock and finished horses for show and pleasure. HyLee Farm has selected stock that reflects years of thoughtful consideration in the planning of each breeding. All the horses in the auction will be in good order and will have had a lot of time spent on them preparing them for the auction. They will be current on their health programs and will be of a caliber that the new owner will be proud of. It is our hope that each purchase will bring happiness and success to the new owners.

HYLEE'S ROSES ARE RED

#0167727

Foaled: 2005 ★ **Sex:** Mare ★ **Color:** Seal Brown
Consignor: Jane Steffenhagen

Such a beautiful head, exotically shaped ears, and wonderful personality and attitude. "Tulip" rides and drives and has been driven on the trail. We have used her in our lesson program with an intermediate rider. She has a very animated and smooth way of going. She would suit the hunter or classic division. She is a full sister to the National Champion, HyLee's Seven Roses, and to the multi-champion titled, HyLee Galaxy's Wild Irish. She has a lot of power off her rear quarter and very good hocks. She is ready to accommodate whatever you would like her to do.

She shows Park potential to the person who takes their time with her. Splendor is a seven-year-old broodmare bred to the gorgeous Fresian, Rintse Frozen Connection for a 2010 foal. The Moresian cross is fast becoming popular as a harness or saddle horse. Splendor has substance and good bone with a gorgeous head and pretty eye. She's raised two foals already and is a wonderful broodmare. Raise a Moresian then breed her to a Morgan—either way she is an excellent producer. Only selling to reduce our herd and we have her full sister. Our loss is your gain!

Irish is everyone's ideal of what a western horse should look like. He has perfect head carriage, an incomparably beautiful head and eye, and a smooth jog and incredible lope. Add that to the fact that he has a great disposition, loves people, is good in crowds and is no problem to manage and you have a very nice horse. Irish is expecting his first foal in 2010 and handled his breeding season very well; it didn't get in the way of his work. His wins are so numerous in the western division. All I can tell you is that he has always had a winning season. He was shown as a young horse in hand and as a two-year-old was Grand Champion Stallion at the North Star Morgan Americana. He is a great package, but you have to own him to open the package up!

I hope that everyone sits up and takes notice of this filly. The potential she offers is endless. She has already won a major Yearling Sweepstakes this year at the Morgan Masterpiece and finished high in the North Star Yearling Sweepstakes. Think she comes from good breeding? Her full sister won the 2008 Yearling Sweepstakes at Morgan Masterpiece and her maternal half sister won the 2009 Jubilee Regional Weanling Filly Futurity. She has trot off both ends, always has her tail flagging and she is snortin'. She is a nice filly to handle and work with. She is eligible for the North Central Futurity, Jubilee Futurity and World Futurity. She holds to earn a lot of money! Down the road she'll be a wonderful broodmare like her mother.

Remi epitomizes the beauty of the Morgan breed. She has an absolutely gorgeous head, which she passes on to her foals, and the snort and blow to go with it. This royally bred mare is a maternal sister to World Champion Mare, Tara's Anasazi and sister to several national and world champion park and pleasure horses. She is the dam of NSS Press Your Luck by Aljaks Double Whammy who is just home from Circle J as well as NSS American Style. She is currently in foal to Century Nightmusic for 2010 and sells with an additional breeding to either Century Nightmusic or Point Man (Stonecroft Masquerade x Stonecroft Spellbound) which can be used with a two-year breeding window. She is easy to breed, easy to foal and wonderful to be around. She is only being offered as we intend to retain her '09 filly for our breeding program.

Diamond is in foal for 2010 to HyLee's Galaxy Seven. She is carrying a full sibling to HyLee's Galleria and to HyLee's Razzle Dazzle two-year-old filly who was Grand Champion Mare at this year's North Star Morgan Americana Show. Diamond has had eight foals (five colts and three fillies for HyLee). Her produce has won at the National and Regional titles and have been successful in the English pleasure, hunter, dressage and in hand divisions. She is a very easy breeder—all her breeding records come to the buyer of this mare. She is a very good mother and nice to be around during foaling and handling her foals. Galleria has personality and style. She is confident in her working and even when something catches her attention and her tail comes over her back, she still is solid and in control. She is very smooth in her gaits and I look for this prospect to work best as a hunter or western. She has had extensive ground driving and will have about 60 days' riding by auction time. She should mature about 15:1. She has shown well and placed high in tough competition. She hauls very well, and will be devoted to the person who works her.

This is a great opportunity to purchase one of HyLee's Teardrop's offspring. This colt should mature about 15:3. He has a wonderful set of hocks, a beautiful body and a nice long neck. He has a good mind and will be rewarding to train. When he was a weanling and he would trot off, it would look like we could just paint a harness on him and we would have the perfect picture of a driving horse.
